Dear Lucy, Jonas, Junko and the MO Team,
Thank you so much for an amazing 3 nights at the MOHK.
We had such a wonderful time and your staff was so friendly. Happy 50th Birthday and we were so glad we could help celebrate this momentous occasion with you!

Our flight was effortless and the Cathay Pacific team was truly exceptional and treated us like VIP's. We made some new crew friends on that flight and look forward to traveling on Cathay Pacific again!

It was wonderful to be welcomed to our beautiful room by Lucy and Junko. We felt so welcomed and the suggestions Junko offered about the city were very helpful.

We met Lucy for breakfast the first morning and was so wonderful to get to know about her and the MOHK. Thank you for being a gracious host.

We ventured out into the city most of the day and when we returned to the hotel late at night, we tried to get into the restaurant for dinner, but it was fully booked, so unfortunately we did not get to sample the flavors of your fantastic chef. However, we had breakfast daily in the clipper lounge and it was delicious. So many wonderful choices! The staff was so friendly and called us by name every morning.

I'd like to send a special thanks to Aqua, your social media and E-Commerce manager. I think every hotel should have someone like Aqua. Adam and I were tweeting, instagramming and face booking daily, if not hourly and she responded to us and made us feel a part of the team and even sent us some lovely chocolates for sharing our story. Kudos Aqua!!

Thank you so very much for your hospitality and I look forward to letting my fellow assistants about the MOHK and will give them your contact information for future bookings. Please don't hesitate to contact us when you are in Los Angeles, we would love to see you again.

Have a wonderful week.

Best,
