Association of Celebrity Personal Assistants

Presents

New Year! New Beginnings!

January 2011

The American Cancer Society and The Association of Celebrity Personal Assistants are very excited to announce that project, *New Year, New Beginning* is underway!!

The ACPA is now a partner with the Road to Recovery Program; a service created and offered by ACS that provides cancer patients transportation to and/or from their scheduled medical appointments.

During the entire month of January 2011, ACPA drivers and friends will be scheduled accordingly for as little as 2hrs using their personal vehicles to ensure that cancer patients get the lifesaving treatments they need!

Transportation, whether it's a one-way drop off, one-way pick up or a round-trip "wait and return" has been proven to be one of the biggest challenges for patients and so the ACS has called on The ACPA for help!

If you would like to join us in the fight against cancer, please RSVP for The Road to Recovery program to <u>Jacqueline.reaume@purry.com</u>

Thanks to each and every one of you for truly making a difference!

We look forward to a successful

New Year New Beginnings
