

Sonoma County, California - Contact Sheet, May 2011

A Taste of Things to Come

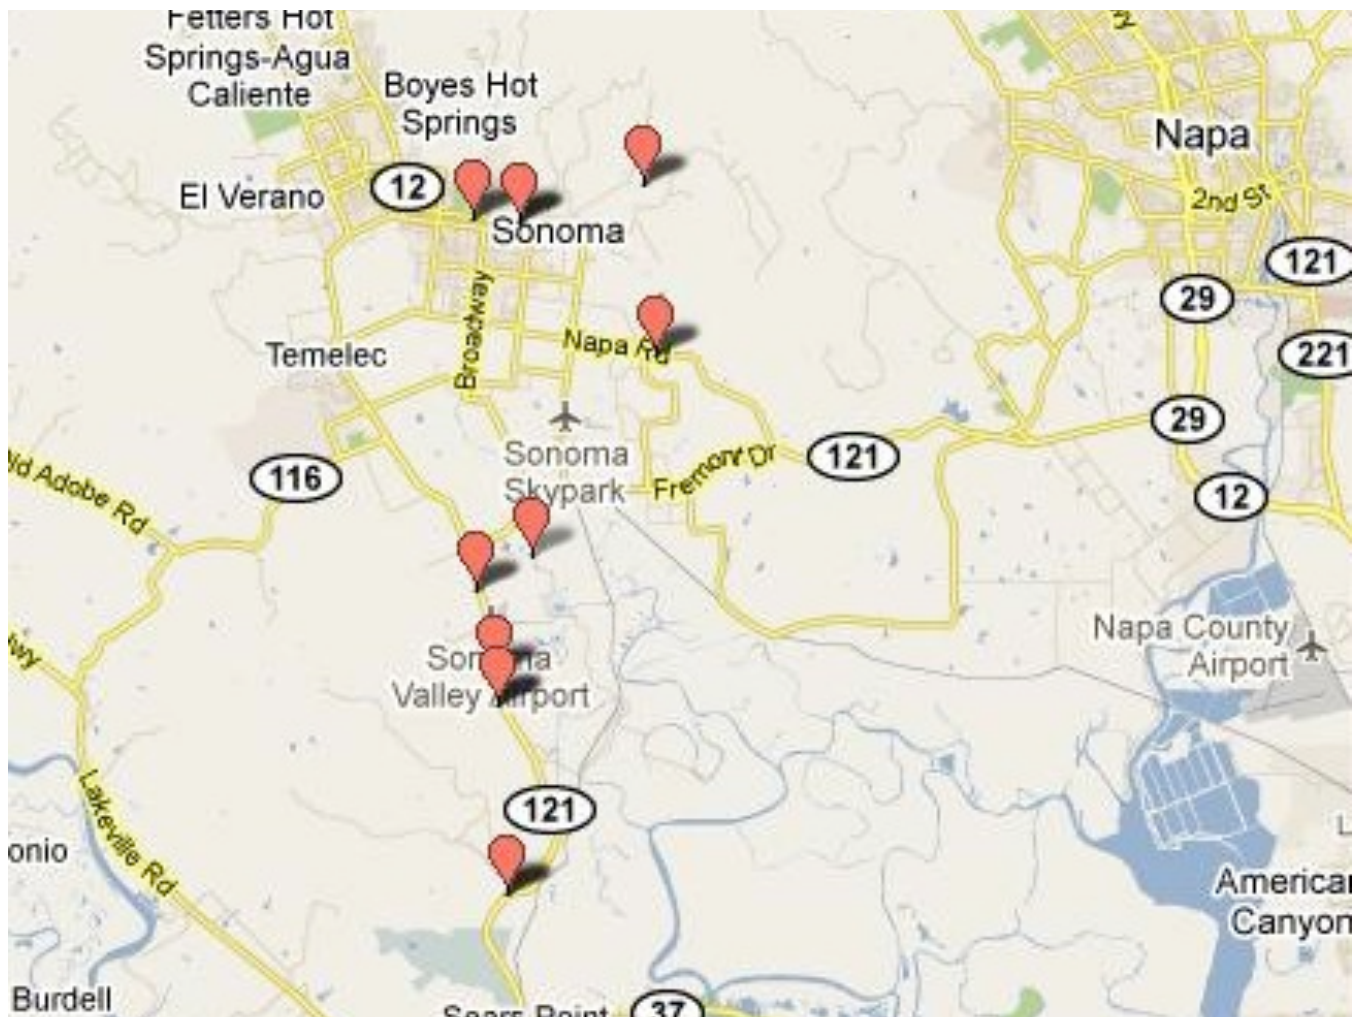

Over the course of five VERY short days in May, 2011, ACPA was invited to meet and experience a taste of the Sonoma (and partially Napa) County area.

This “Pre-Flight” Contact Sheet wrap-up is only a sample of the people and companies met with. The excitement and interest generated will allow a number of future events to occur with ACPA.

A future Contact Sheet will focus on Napa County exclusively.

More information regarding this event can be made to ACPA FAM Director: jonas@acpa-la.com

So Much to Do... So Much to See!

With hundreds upon hundreds of wineries to visit, where does one start?

With a **REALLY** knowledgeable concierge.

Or even better: A network of concierges!

The Napa & Sonoma County areas have just this.

CANVAS, an association of concierges in the region, is an **AMAZING** resource for the hospitality industry.

Further facilitation was provided via the San Francisco Concierge Association.

ACPA's primary facilitator was Ramon Meraz, concierge at both the Hyatt in Santa Rosa and Beautiful Places in Sonoma.

Between these groups, we present the following list of companies that hosted

ACPA in a variety of areas during our visit.

Please do your best to contact these companies at your earliest convenience (mention your membership with ACPA with your inquiry!) and see how they may assist your future needs.

A great interactive map of the area is here: [Sonoma/Napa Mapping Tool](#)
